THE HONORABLE KIM REYNOLDS

Governor of Iowa  
State Capitol  
Des Moines, Iowa 50319

Governor Reynolds:

In accordance with Iowa Code § 533.114, it is my privilege to submit the Annual Report on the condition of Iowa's credit unions. The information contained in the 2024 Fiscal Year Iowa Annual Report of the Superintendent is compiled from year-end call reports filed with the Iowa Division of Credit Unions and with the National Credit Union Administration, the U.S. Government agency insuring deposits in all Iowa credit unions.

The statement of condition of Iowa's credit unions, included within this report, represents the 65 state-chartered credit unions whose principal place of business is in this state. Continuing the trend of previous years, Iowa credit unions' financial stability demonstrates that credit unions are favorably positioned to serve the financial needs of the citizens of this state. The aggregate net worth of Iowa's natural person state-chartered credit unions remains strong at 10.60% of total regulated assets. This ratio is an important indicator of credit union preparedness to meet and withstand the financial challenges of today and into the foreseeable future.

Iowa credit unions are not-for-profit financial cooperatives with over 1.6 million member-owners. Membership in Iowa state-chartered credit unions increased by 28,389 in 2024. Credit unions continue to offer the products and services to meet the borrowing and savings needs of their member-owners. Total assets grew 1.03%, loans grew 0.15%, and the year ended with a 96.95 % loan-to-savings ratio. Credit unions returned 39.71% of total income to their members last year in the form of dividends and interest on savings and deposits. These figures indicate Iowa credit unions are continuing to contribute to the financial well-being of their members and improving the economy in their communities in Iowa. It remains the Division of Credit Union's mission to perform its regulatory and supervisory responsibilities to ensure safe and sound institutions, while listening to the needs of Iowa's credit unions and the citizens of this state.

Respectfully submitted,

Katherine E Averill  
Superintendent of Credit Unions

Iowa's 66 state-chartered credit unions reported total assets of \$33 billion as of December 31, 2024. The graph above depicts steady asset growth over the last 10 years. Iowa's state-chartered credit unions make up 97% of all credit unions operating within our state. This is the 2nd largest concentration of state-chartered credit unions in the nation. This is an indication that Iowa's credit unions are growing and meeting their members' needs.
